ANDERSON NOT IN DEAL — **BOTH ARE PUNISH PROOF** —

In international football conflict this season the East has thus far maintained its supremacy. In nine contests with Western and Southern representatives Eastern eleven have won seven, lost one and tied one. Against teams from Dixie Northern colleges have won five and lost one. The West has lost two in the West and taken one.

While the East's achievements against the South have not been in the nature of surprises, its success in games with the West has been highly gratifying, especially as it had been expected that the rivals would be evenly matched on the football fields. The first victory for the East was scored by Coigate when it defeated Illinois by 15 to 2. Last Saturday Tufts added another, at the expense of Indiana.

Tibbott at half. Brown was used a half part of the time.

Highley and Wilson were at end during the game. Brown, along with Motiwa and McLean, at tackle. Second string Hoag were at guard, with Gennett at centre. When the scrimmage was held, however, Gowen relieved Gennett at centre, while Bryan

Mathews would be in condition. The Red and Blue captain, however, appeared to-day, saying his condition was first class. He expressed his desire to play and the coaches would like to decide on their left tackle to-morrow. He reported for practice wearing a uniform, but did not get into the scrimmage. Western Critics "Sore." Eastern success has not been to the West's liking. After the Colgate victory some of the critics out yonder decried it as no wonder that Larry Bankhart had no strong a team. He allowed freshmen to play on it. Other aspersions were cast, despite the fact spots. Jack Eddy got away with one seventy yard run through the whole freshman team, running the first forty yards through a more or less clear field, but getting by the Hamilton backs by the clearest bit of dodging yet seen in the stadium.

Bill Moore also tore off some spectacular end runs. His speed was phenomenal.
